Inner Connect is an international non-profit organization that fights for the mental health of young women in the world. Our head office is located in Copenhagen, Denmark, but most of our projects and efforts take place in South Africa in the cities of Durban and Cape Town.

**As a communications volunteer, you will, among other things:**

- Create content and publish it on social media
- Prepare external communications, including social media posts, articles etc.
- Maintain internal communication on our website
- Promote events

**We offer the following:**

- Experience with internal and external communication
- Opportunity for competence and capacity development

We expect you to be committed, independent and creative, and that you have the opportunity to participate in individual meetings each year. In addition, you must have access to either a telephone or a computer that can edit our digital content. If you are interested in becoming part of Inner Connect, please contact us. We are looking forward to hear from you. Remote work is also permitted.
